About Us

Pappy's Grill & Pub was "born" on June 17, 2005 when Steve & Michelle Margulies purchased the original Stan & Lou's.

Our philosophy is relatively simple and has never changed: Offer our customers a clean, pleasant place to eat with reasonable prices and a friendly, caring staff. The menu has come a long way since 2005 with many new sandwiches, salads and wings which are now becoming the new favorites. Tenderloins, one of our best selling items, have won Best Tenderloin in St. Joseph in 2011, 2012, 2013 & 2014. In the Fall of 2011, we rolled out a new line of Specialty Burgers and Pappy's has become the place to go for a great burgers!

We strive to keep your visit to Pappy's an enjoyable and fun experience every time you come in. Many of our great customers know each other from the outside, but so many have met because they've made Pappy's their place to eat. Our great, long time staff has been with us for years and years.

Steve "Pappy" was born and raised in New York City (Pop: 8 million) and Michelle was raised in Jordan, MN (Pop: 2,400) He moved to Minneapolis, MN in the late 70's. While there, he brought pizza-by-the-slice to the city when he opened his first restaurant, A Slice of New York. Steve returned to the mortgage industry in 1985, and years later, while working for the Federal Government, met Michelle and they married in 1992.

For several years, Michelle's career in mortgage banking excelled. After more than a decade as successful mortgage bankers, Steve & Michelle decided get into the restaurant business, and thus, Pappy's was on its way!

Steve & Michelle live in St. Joseph and are the proud parents of 5 children who have blessed them with 7 beautiful grandchildren.
